## **Beauchamp Design Expands Into Ireland with RLP Solutions Ltd**

Beauchamp Design appoints Lisbeurn based RLP Retail Solutions Ltd as its exclusive distributor in Ireland. Featuring as part of Beauchamp Design's on-going expansion, the range will play an integral role in the development of RLP's new service- led turnkey operation.

Headed by Managing Director, Richard Patterson, RLP offers advanced bespoke solutions for a host of retail environments. The company promotes a design-led approach to realise the most challenging projects. Building on Patterson's 15 years experience, RLP offers practical and informed advice, working with the end client from inception to the final installation.

RLP Retail Solutions Managing Director, Richard Patterson explains:

" I'm delighted to have been appointed the sole distributor of the Beauchamp Design range. Having worked with the company for many years I'm familiar with the products' exceptional design features and build quality. The units are infinitely adaptable and configurable, which makes them perfect in a turnkey situation. I'm confident that the range will make an impact on both Retailers and Shop fitters alike as a versatile and stylish solution.

Beauchamp Design's MD Bruce Beauchamp added:

"We have been looking for a service-led outlet for our range in Ireland for some time. Our range is manufactured at our Long Eaton based HQ and is designed to meet the needs of commercial and independent retailers alike, we're confident that RLP will provide the high level of service and support to warrant its success in this growing market."

For over 20 years Beauchamp Design has set a precedent amongst commercial and independent retailers alike. Their portfolio includes companies as diverse as Guess, Emson Haig, Georg Jensen, Royal Worcester, Claire's Accessories, Safeways, Thorntons, House of Commons and Lotus Showrooms.
